Dear Governor Manchin:

This is the Annual Report of the West Virginia Board of Accountancy for the fiscal year ending June 30, 2005. This report is hereby submitted in compliance with statutory requirements.

#### THE BOARD

The West Virginia Board of Accountancy consists of seven members, appointed for terms of three years by the Governor with the consent of the Senate. Five members must be Certified Public Accountants, one member must be a Public Accountant so long as twenty five or more public accountants are registered by the Board (if fewer than twenty five public accountants then the member may be either a public accountant or a certified public accountant), and one member must be a citizen member who is a resident of this State, who is not licensed under the provisions of this article and who also is not a bookkeeper, enrolled agent or a person who provides or offers to provide to the public any bookkeeping, tax preparation, financial advisor or insurance service.

This Board is charged with the administration and enforcement of the provisions of the West Virginia Accountancy Law, Chapter 30, Article 9 governing Certified Public Accountants and Registered Public Accountants as last amended and re-enacted by the West Virginia Legislature in its regular session of 2001. A Performance Evaluation by the West Virginia Legislative Auditor's Office recommended continuation of the West Virginia Board of Accountancy, as stated in Accountancy Law §30-9-32, through July 2005.

Rules and Regulations promulgated by the Board passed the Legislature in the regular session of 2004 with an effective date of April 30, 2004. This Legislative Rule provided for the implementation of the Computer Based Test for the Certificate of Certified Public Accountant.

This is included with this report and marked "Exhibit A", a statement of the receipts and disbursements of this Board for the fiscal years ended June 30, 2004 and June 30, 2005. Fiscal accounts of this Board have been audited by the Office of the Legislative Auditor through the period ended December 31, 1972, no exceptions having been noted.

#### EXAMINATION FOR CERTIFICATE OF CERTIFIED PUBLIC ACCOUNTANT

In April 2004, the Board implemented the computer-based American Institute of Certified Public Accountant examination given in four separate windows throughout the year. Questions are prepared by the Board of Examiners and uniformly graded either electronically and/or by professional graders who do not know the identity of the candidates. Grading costs for the computer-based exam are paid directly to the National Association of State Board of Accountancy. Subjects covered by the uniform examination are Business Environment and Concepts (BEC), Auditing (AUD), Regulation (REG) Financial Accounting & Reporting (FAR).

The candidate will be required to make a grade of not less than 75 in each examination subject before he or she will be declared to have passed the examination. Effective April 2004, upon implementation of a computer-based examination, a candidate may take the required Test Sections individually and in any order. Credit for any Test Sections passed are valid for eighteen months from the actual date the candidate took that Test Section, without having to attain a minimum score on any failed Test Sections and without regard to whether the candidate has taken other Test Sections. Candidates must pass all four Test Sections of the Uniform CPA Examination within a rolling eighteen-month period, which begins on the date that the first Test Section passed is taken. The results of the November 2003 and April/May 2004 exam for the period ended June 30, 2004 and the four examinations conducted during the fiscal year ended June 30, 2005 are listed in Exhibit "C".

Certificates of Certified Public Accountants issued through the periods ending June 30, 2004 and June 30, 2005 who passed the examination or who passed the examination in other states are listed in "Exhibit B" which accompanies this report. Statistics for license renewals for the periods indicated are included in Exhibit "D".

Respectfully submitted.
