Re: Firm Permit Renewal Procedures

This renewal is intended for those firms with a location in West Virginia who do not perform any attest or compilation services. In-state firms or out-of-state firms who perform attest or compilation services, will need to use the appropriate renewal form.

****We strongly recommend that you use either Internet Explorer or Google Chrome as your browser to log in to the Firm Permit Renewal Form****

The Renewal Form will time out if left on screen during a period of inactivity (usually about one hour). Therefore, we recommend that you either continue the form in one sitting or be sure to hit the SAVE FOR LATER feature, so that the information you may have already completed is saved. Once you click SAVE FOR LATER, you will need to log back in to finish your saved form.

The link to the Firm Permit Renewal Form is: <https://www.boa.wv.gov/renewals/firms/permit/index.asp>

Please remember that you are **required** to answer any question with an **asterisk (*)** beside it. The system will **not** allow you to proceed to the next page of the renewal if you overlook a required question.
